

CORIAN® EXTERIORS

The 2020 Colour Portfolio

Corian® Exteriors: the 2020 Colour Portfolio

Corian® Exteriors is innovation through beauty, colour and depth. It is strength and purity, reliability and performance. Corian® Exteriors brings personality to virtually any type of commercial and residential environment, enhancing and facilitating the lives of those who use and enjoy its unique potential. Long-lasting, durable and elegant, Corian® Exteriors has a three-dimensional formability liberating inventive and artistic minds for 50 years. To make the most of Corian® Exteriors in a world of changing environments, fashions and modes of communication, the invitation to architects is to transform this limitless material into a meaningful work of form and function.

This document presents the Corian® Exteriors colour portfolio, including Standard Colours and Custom Colours. The Standard Colours are available in Class B,s1-d0. The Custom Colours are available on demand only through a Product Development Request (PDR); an FR version of the standard sheet should be ordered.

We invite you to visit www.exteriors.corian.com, check our online colour tool or ask your Corian® Exteriors sales contact for more information and for samples.

It is always advisable to evaluate the physical Corian® Exteriors sample before making the final selection.

The list of colours shown in this document is valid from April 1st, 2020, till further notice.

Corian® Exteriors Colour Portfolio

- * **Contains random veins:** veins may vary in intensity and highlight seams. Sample may not represent the full aesthetic.
- * **Translucent:** substrate shadowing may appear. Ideal for backlit applications.
- * **Heavily pigmented:** may require additional maintenance.
- * **Contains large, randomly distributed particles:** sample may not represent the full aesthetic.
- * **Heavily pigmented and veined:** veins may vary in intensity and highlight seams. May require additional maintenance. Sample may not represent the full aesthetic.
- * **Heavily pigmented with reflective pigments:** may appear lighter or darker depending on the viewing angle. May require additional maintenance.
- * **Heavily pigmented. Contains large, randomly distributed particles:** heavily pigmented. May require additional maintenance. Contains large, randomly distributed particles. Sample may not represent the full aesthetic.
